

Survivor Madison

WSJ 7/10/0

Here's proof of just how happy some members of Madison's Team Survivor were after completing the Danskin Triathlon Sunday near Kenosha, "despite scorching heat and blast furnace winds," according to my fellow columnist **Susan Lampert Smith**.

Team Survivor, a local group of 18 cancer survivors, included from left, **Kris Johnson**, Lampert Smith, WISC-TV (Ch. 3) anchor **Susan Siman**, **Susan Haas** and team leader **Diane Stojanovich**.

Adds Lampert Smith: "Siman smoked us. She'd been faking not knowing how to swim."
